Feel free to give out this book.

I would like as many people as possible to read this book (PDF file).

Please feel free to give out the PDF file via the Internet or on CD-R, or to print it out and circulate it.
You are also free to put it up on your server.

If you have any friends who are fans of LEGO or LEGO Technic, please tell them about this book.
It would also really help if you could introduce the book on your website or blog.
I am asking you to help out so children and the young at heart around the world can read this book anytime, wherever they may be.

All we are asking for is $10.

If you plan to continue using this book, I would appreciate it if you could pay $10.
I will use the proceeds to buy new LEGO bricks and get ready for the next book.
If you are a child and your allowance isn't enough to pay for the book, its OK if you send the payment when you are a little older. There's no rush.
If this book is used as teaching material at a school or other classroom, please pay according to the number of pupils.

See the following website for payment methods and information about the book.
